Analyze the first half of play from a game of your choice by completing the tasks outlined below. (There is no analysis necessary for the second half of play. Just watch and enjoy!)

## TECHNICAL OBSERVATIONS

TECHNICAL OBSERVATIONS

3) Who was your favorite player on the field and why? What attributes / skills does that player have that you liked?

4) Would you like to one-day play at the collegiate level? If so, list at least one goal below that you have for yourself in order to make it to the collegiate game one day based on your observations
